

RAH & MAH PROGRAM GUIDE

How to earn free books and prizes from Reading At Home (RAH) & Math At Home (MAH) between October 1st — May 31st:

1. Go to **apollopta.org**. Log-in to your account or set up a new one.
2. Click the “Registration” icon to make sure your student’s teacher and grade are up-to-date.
3. Click the book icon (RAH) or calculator icon (MAH)
4. Click on input minutes. Parents must approve minutes **by the end of each month** for the minutes to count for the prize give-a-way the following month.

*You may keep a paper calendar at home and then log-in minutes for your student by entering their *total sum* **ONCE** in any date of each month.*

Note: Minutes are **accumulative**. Earn 1 free book (RAH) or 1 prize (MAH) **each time** you reach your grade’s target

Grade	RAH Target	MAH Target	
Kindergarten	750 minutes	300 minutes	free popcorn just for entering minutes
1-2	1000 minutes	400 minutes	free popcorn just for entering minutes
3-5	1500 minutes	500 minutes	free popcorn just for entering minutes

RAH book and MAH prize giveaways are held during 2nd recess once each month starting in November.

Earn free popcorn coupons each month just for participating!
