The Newcastle Elementary PTSA proudly presents an evening with award winning writer, editor and author Linda Morgan as she speaks on the topic of *Raising Resilient Kids in an Indulgent Culture*. At this free event, you will have the opportunity to learn why resiliency is important and what you can do to nurture this quality in your kids. Linda will plan to talk for about 45 minutes and then address questions during a (roughly 30-minute) Q&A session. We hope you will join us!

WHY RESILIENCY MATTERS

How is your child going to deal with getting passed over for the top job if he can't handle sitting out the basketball game? Or not getting the part in the play? Will your child be able to bounce back after a tragedy? These are the types of questions that Linda Morgan will address during her presentation.

WELCOME LINDA MORGAN

The former managing editor of "ParentMap" and author of *Beyond Smart: Boosting Your Child's Social, Emotional, and Academic Potential*, Linda was the on-air parenting expert for KING TV for many years and has appeared on television programs in California, Arizona and Oregon.
